For information on all Argentine diplomatic and consular representations abroad, please refer to the following link: <https://cancilleria.gob.ar/en/representaciones>.
- Registered participants to the Conference through the UN System, may request their visa in their country of residence or at any other Argentine representation of their choice.
- Please bear in mind that due to visa processing time (20 days), all delegates, regardless of nationality, should register themselves through the United Nations by 1 March 2019, in order to avoid delays in obtaining the visa.
- Deadline for pre-registration to the conference in New York is 11 March 2019. However, should you require a visa to travel to Argentina, you must coordinate with your permanent mission or office to the United Nations for early submission of online registration to the Protocol Office well before 1 March 2019, in order to allow sufficient time for visa application and processing, which requires 20 days as mentioned above.
