V. Documentation and interpretation

61. At the seventy-third session of the General Assembly, hard copies of documents will be available at the documents distribution counters located inside the General Assembly Hall. For meetings being held in conference rooms, hard copies of documents will be available at the meetings services desk. The Department for General Assembly and Conference Management will also provide documents-on-demand services (printing of documents, assistance with access to online services, etc.) through the Documents Assistance Centre (Conference Building, North Lounge, room CB-0264) and at the Documents Counter (Secretariat Building, room S-1B-032).

62. In addition, daily distribution of predetermined quantities of the *Journal of the United Nations* and specified documents issued at Headquarters will be available for collection at the distribution pick-up area, located in room L-1B-100 of the Library Building. Any changes to quantities of documents for distribution to delegations should be submitted at least two working days prior to the effective date and addressed in writing to the Chief of the Meetings Support Section (email: chiefmss-dgacm@un.org).

63. The *Journal of the United Nations*, featuring information on the current day's meetings and on forthcoming meetings, as well as summaries of official meetings held the previous day, is now available in a multilingual digital format, compatible with mobile devices such as smart phones and tablets, at <https://journal.un.org>. In accordance with General Assembly resolution [71/323](#), all content related to official meetings is published in the six official languages throughout the year, in accordance with rule 55 of the rules of procedure of the Assembly. In addition to the programme of meetings being held at Headquarters, the digital version also provides a wide array of useful information, including on the list of Chairs of regional groups for each month; signatures and ratifications of multilateral treaties deposited with the Secretary-General; the daily list of documents issued at Headquarters; and side events organized by permanent and observer missions. Inquiries regarding the *Journal* should be addressed to the Journal Unit (Secretariat Building, 12th floor, email: journal@un.org, tel.: 212-963-3888/212-963-0493).

64. Any additional documentation needed can be retrieved online through the Official Document System (<https://documents.un.org>), as well as through the paper-smart services portal (<https://papersmart.unmeetings.org>). No login is required to access the portal. Documents are also available through the Department's eSubscription service, at www.undocs.org. Delegates can sign up to receive the latest edition of the *Journal* and documents issued daily at Headquarters for viewing directly on their computer or mobile device.

65. Delegations are invited to submit electronic versions of their statements (preferably in PDF format) by email to papersmart@un.org. Delegations wishing to circulate their statements electronically through the paper-smart services portal should submit them by email to papersmart@un.org not later than two hours in advance of delivery. Alternatively, delegations can bring a hard copy (unstapled), for scanning and uploading, to the documents counter located inside the General Assembly Hall or to any conference officers' desk within meeting rooms. The name of the meeting and of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statements will remain embargoed until their delivery and then posted. Only statements presented during the course of the meeting will be posted.

66. In order to facilitate the provision of interpretation and verbatim reporting services, 20 copies of a statement to be delivered should be submitted to the receiving area at the documentation desk located at the rear of the General Assembly Hall between 8 and 9 a.m. by a delegation representative in possession of a valid United Nations grounds pass. Access will be through the 46th Street gate, through the screening area, utilizing the west side elevators in the lobby of the General Assembly Building to the second floor, where a representative of the Secretariat will accept the texts at a designated counter. The texts of the statements will be accepted only on the day on which they are to be given.

67. Statements made in any of the six official languages of the General Assembly are interpreted into the other official languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words (200 to 240 characters in Chinese) per minute in order to ensure that the statement is delivered at a normal pace.

68. Any speaker may also make a statement in a language other than the official languages. In such cases, in accordance with rule 53 of the rules of procedure of the Assembly, the delegation in question must provide either an interpreter from the non-official language into an official language, or a written text of the statement in one of the official languages, to be read out by a United Nations interpreter. On the basis of the interpretation or the written text that is accepted by the Secretariat as representing the official text of the statement, it will be interpreted into the other official languages by United Nations interpreters. When a written text is provided, the delegation concerned should make available to the interpreter someone who knows the language in which the statement is to be delivered and the official language into which it has been translated, to guide the interpreter through the translated text and to ensure synchronization between the speaker and the interpreter.

69. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreter booths in the General Assembly Hall, must be made in advance through the Meetings Management Section (telephone: 212 963 7351; email: emeetsm@un.org). The interpreter or the guide

provided by the delegation should be brought by the delegation to the conference officers' desk in front of the General Assembly Hall 30 minutes prior to the delivery of the statement.

81. The Headquarters complex will be closed to the public from 5.30 p.m. on Friday, 21 September 2018, until the close of business on Wednesday, 3 October 2018. During that time, guided tours will be suspended.

82. Access to the United Nations complex during the high-level meetings will be restricted to delegates and their staff; staff members of the United Nations Secretariat and of the funds, programmes and agencies of the United Nations system; accredited media; and affiliates who have been issued a United Nations grounds pass.

83. Members of civil society and non-governmental organizations who are invited to attend the high-level meetings or other events will be required to be in possession of government-issued identification and a special event ticket (indicating a specific meeting, date and time) at all times. The issuance of special event tickets is the responsibility of the United Nations sponsoring office and/or permanent mission. Non-United Nations guests will require a sponsoring office or delegation staff member escort from the access point on Second Avenue and 46th Street to the meeting or event location.

84. For all government delegations (Member States or observers), grounds passes will be issued at the office of the Pass and Identification Unit, located at 320 East 45th Street. For grounds passes for national security officers accompanying Heads of State or Government, contact Captain Paul Jankowsky, Special Services Unit (telephone: 212 963 7531). See the annex for a sample of the grounds pass request form for security staff.

85. It should be noted that access to the United Nations will be denied to anyone who is not in the above-listed categories and who is not in possession of a valid grounds pass or special event ticket. To avoid last-minute difficulties, all Governments are requested to ensure the proper accreditation of their delegations.

86. Questions or concerns should be directed to Michael Browne, Chief of Security, United Nations Headquarters, Security and Safety Service, by contacting the Security Event Planning Unit (Captain Malinda McCormack, telephone: 212 963 7028), or through Inspector Matthew Sullivan (3-4601) or Inspector Paula Goncalves (3-3694)

Access to the United Nations Headquarters complex

87. The opening hours of the pedestrian entrances are as follows:

42nd Street and First Avenue:	Open 24 hours
46th Street and First Avenue:	7 a.m. to close of business
47th Street and First Avenue:	6 a.m. to close of business (media exclusive entrance)

88. Please be aware that all packages brought onto the premises by all categories of persons, including delegates and staff, will be subject to security inspection.

89. Prior arrangements are required to be made through notification to the Security Operations Centre at extension 3-6666 for after-hours access to the premises by the press and affiliates.

No pedestrian access through the delegates' entrance

90. During the seventy-third session, the delegates' pedestrian entrance gate, located at 45th Street and First Avenue, will be closed owing to motorcade activity. Therefore, the gate positioned to the south of the 46th Street and First Avenue entrance will be reserved for the use of high-level VIPs, delegations issued Protocol grounds passes, permanent representatives to the United Nations, heads of delegation and senior United Nations staff who are in possession of gold-coloured grounds passes, in order to access the delegates' entrance.

Pass and identification office: issuance of grounds passes

91. In preparation for the seventy-third session of the General Assembly, the Pass and Identification Unit, located on the ground floor of the FF Building at 320 East 45th Street, will be open to staff members and members of delegations.

92. Annual and temporary non-governmental organization passes will not be issued from 10 September 2018 until the end of the general debate. Any non-governmental organization invited to attend meetings or events during the high-level period will be issued special event tickets by the sponsoring United Nations office or Member State.

93. The days and hours of operation of the office will be as follows:

Saturday and Sunday, 15 and 16 September	9 a.m. to 5 p.m.
Monday to Thursday, 17 to 20 September	8.30 a.m. to 4 p.m.
Friday, 21 September	8.30 a.m. to 6 p.m.
Saturday and Sunday, 22 and 23 September	10 a.m. to 6 p.m.
Monday to Friday, 24 to 28 September	8 a.m. to 6 p.m.
Saturday and Sunday, 29 and 30 September	Closed
Monday, 1 October	8.30 a.m. to 4 p.m.

Access to restricted areas

94. In accordance with the established procedures, it should be noted that the second floor of the General Assembly Building is reserved for members of delegations and staff who are conducting official business. In all cases, valid United Nations grounds passes will be required. Owing to the space constraints on the second floor of the

General Assembly Building, members of delegations are requested not to congregate within that area and instead to utilize the second floor of the Conference Building.

95. Members of non-governmental organizations are not allowed access to the restricted areas; their access to meetings at Headquarters will be honoured upon verification of a valid special event ticket issued for the current day's meeting(s).

Escorted motorcade drop-off

96. Escorted motorcades will be authorized to enter United Nations premises at the 43rd Street and First Avenue vehicular entrance and drop off their passengers at the delegates' arrival tent. Thereafter, they will be required to exit the premises through the 45th Street and First Avenue gate. All escorted motorcade movements on the premises will be established by the Security and Safety Service and coordinated in conjunction with the host country.

Unescorted motorcade drop-off

97. Unescorted vehicles will be allowed to drop off passengers at the 46th Street and First Avenue crosswalk. A valid grounds pass and an authorized United Nations e-Tag (issued by the Garage Administration and labelled "UNGA73") will be required for presentation at the 46th Street and Second Avenue vehicle checkpoint prior to access being granted.

Traffic in the Secretariat Circle and through the 43rd Street gate

98. The very limited operating space in the Secretariat Circle and delegates roadway areas requires strict controls in respect of access to those areas, in order to ensure safety and to avoid undue obstructions and delays of delegation vehicles and the motorcades of high-level government officials.

99. Vehicular access to the premises through the gate at First Avenue and 43rd Street is therefore restricted to host country law enforcement-escorted motorcades.

100. The regular traffic pattern permitting authorized vehicles to exit the Secretariat Circle through the 45th Street gate from 9 a.m. to 7 p.m. on weekdays will resume on Wednesday, 3 October 2018.

Parking

101. For the duration of the high-level meetings and general debate, vehicles will be permitted access to enter the garage through the 48th Street entrance and depart through the 42nd Street exit, which will be operational on a 24-hour basis. Please note that this is a change from the normal procedures for garage entry into Headquarters. Traffic lanes within the third basement service drive and roadways in the garage must be kept free of stationary vehicles at all times. Vehicles left in that area will be subject to towing.

102. All vehicles entering the Headquarters premises will be subject to search. Thus, it is highly recommended that members limit the contents inside their vehicles in order to expedite the physical security clearances.

103. Bicycles and other non-motorized means of transport into Headquarters premises will not be permitted.

XI. Arrangements for meetings

Facilities

104. For bilateral meetings, a limited number of temporary booths, with a maximum capacity of eight participants, will be available in the General Assembly Building.

Reservation system

105. An electronic reservation system will be activated through eMeets (<http://icms.un.org>) on 11 September 2018, in order to provide equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically through eMeets by accessing <http://icms.un.org>, logging in with the username and password of their permanent mission and clicking on the “Bilateral” tab. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request. Reservations will be accepted for periods of 20 minutes in duration, on the hour and half hour. To prevent double bookings, only the delegations initiating the bilateral meeting(s) should submit the request.

106. Information about booth assignments will be provided one day prior to the meeting. Depending on the programme, every effort will be made to keep a delegation’s consecutive appointments in the same booth. Late requests will be accepted until 6 p.m. on the day prior to the meeting, and every effort will be made to assign a booth on the basis of the availability of space at that time. Delegations requiring further information regarding bilateral meeting requests should send their questions or enquiries to bilats-msu@un.org.

XII. 2018 treaty event

107. It is recalled that the Secretary-General, in a letter dated 31 May 2018 addressed to Heads of State or Government, invited States to consider signing and ratifying or acceding to multilateral treaties deposited with him during the general debate of the seventy-third session of the General Assembly.

108. The treaty event will be held from 25 to 28 September 2018 in the treaty signing area on the ground floor of the General Assembly Building. Appointments for signature, ratification or accession should be arranged well in advance with the Treaty Section of the Office of Legal Affairs (telephone: 212 963 5047). States intending to ratify and/or accede to a convention or treaty must submit copies of their instruments to the Treaty Section for review, preferably by 4 September 2018. It should be noted that Heads of State or Government and Ministers for Foreign Affairs do not require full powers to sign. Copies of instruments and full powers may be sent to the Treaty Section (fax: 212 963 3693).

109. Information relating to the treaty event, including the letter of invitation from the Secretary-General to Heads of State and Government, a list of multilateral treaties to be highlighted at the treaty event, a list of all multilateral treaties deposited with the Secretary-General and procedural information provided by the Under-Secretary-General for Legal Affairs and Legal Counsel to permanent representatives in New York can be obtained from the United Nations Treaty Collection website (<https://treaties.un.org>).

110. In addition to the Head of State or Government or Minister for Foreign Affairs, two individuals per delegation will be permitted to attend the event. It should be noted that it is the responsibility of the delegation to escort the representative who will be undertaking the relevant treaty action to the venue 5 to 10 minutes prior to the scheduled appointment. A protocol officer will greet and escort dignitaries (Head of

State or Government, Vice-President, Crown Prince or Princess) from the escalators in the main hall.

111. It should also be noted that, in order to gain access to the premises during the 2018 treaty event, national media must have previously obtained proper media accreditation from the Media Accreditation and Liaison Unit.

112. Each delegation should designate an individual as a contact person for the purposes of the treaty event.

XIII. Media access arrangements and services

113. Media representatives with a valid United Nations grounds pass will be allowed to cover the general debate and other high-level meetings without additional accreditation.

114. Accreditation of media representatives accompanying the delegation, including official photographers and videographers, will be carried out by the Media Accreditation and Liaison Unit. Missions/offices are required to submit their media accreditation requests by using the eAccreditation system, available through the eDelegate portal at <https://delegate.un.int>. Requests should be submitted no later than 5 September to ensure timely processing. Government press/information officers should not be accredited as members of the media, unless their role is to take photos or videos. For more information, contact the Media Accreditation and Liaison Unit (email: malu@un.org; telephone: 212 963 6934).

115. Media representatives who wish to apply for accreditation independently must fill out the online form and upload a request on the letterhead of the media organization. Additional information regarding media accreditation and arrangements can be found at <http://www.un.org/en/media/accreditation/unga.shtml>.

Location and hours of operation for media accreditation

116. Media representatives can pick up their accreditation badges from 18 to 21 September at the Pass and Identification Unit, 320 East 45th Street, and starting on 23 September at the Visitors Centre, UNITAR Building, 801 First Avenue (corner of 45th Street and First Avenue).

117. The hours for media accreditation will be as follows:

Pass and Identification Unit, 320 East 45th Street	Tuesday to Friday, 18 to 21 September	9 a.m. to 4 p.m.
UNITAR Building, 801 First Avenue	Sunday, 23 September	10 a.m. to 6 p.m.
UNITAR Building, 801 First Avenue	Monday, 24 September	7 a.m. to 7 p.m.
UNITAR Building, 801 First Avenue	Tuesday, 25 September	7 a.m. to 6 p.m.
UNITAR Building, 801 First Avenue	Wednesday and Thursday, 26 and 27 September	8 a.m. to 6 p.m.
UNITAR Building, 801 First Avenue	Friday, 28 September	8 a.m. to 5 p.m.

118. All media representatives must clearly display their United Nations grounds passes at all times.

Entry and screening procedures

119. The designated media entrance, for both resident correspondents with equipment and non-resident correspondents with or without equipment, is located at 47th Street and First Avenue, where they and their equipment will be subject to security screening. All media representatives will be required to present a valid United Nations grounds pass to the United Nations security officers at the gate.

120. Media representatives who wish to go to the third floor media liaison desk in the General Assembly Building will be required to use the ramp located on the east side of the General Assembly Building and the staircase within the neck area to the third floor.

121. Media liaison desks will also be set up on the first and third floors of the Conference Building for escort to conference room media booths.

122. Members of the media must be escorted by the Media Accreditation and Liaison Unit at all times in the restricted areas.

123. Members of the media are advised to arrive early to allow sufficient time for screening. Last-minute arrivals will encounter delays, in particular when First Avenue is closed for motorcades.

Media Centre and other facilities

124. The Secretariat will announce the location of the temporary Media Centre at a later date. Media representatives are requested to bring their own headphones to listen to the proceedings and cables to connect to the live video feed for recording.

125. Members of the media can request documents, statements and press releases from the Media Documents Centre, located in room S-0219, or by emailing mdc@un.org.

126. A list of open meetings, press briefings and conferences, and other outreach activities at Headquarters will be posted daily at www.un.org/en/media/accreditation/alert.

Media tickets to meetings and events

127. A limited number of tickets will be available for the press gallery of the General Assembly Hall and other meetings. Media liaison desk staff will distribute tickets on a first-come, first-served basis 30 minutes before the meetings. Delegations that are organizing meetings should notify the Media Accreditation and Liaison Unit regarding whether media can attend and allocate press tickets accordingly.

Pool coverage

128. In some events, owing to logistics and space considerations, select media would have to provide pooled media coverage.

129. Official photographers and television crews will have an opportunity to cover the statement of their Head of State or Government or head of delegation on a rotating basis from the press booths surrounding the General Assembly Hall. Owing to space limitations, they may not remain in the booth to cover other speeches.

130. A limited number of still photographers, escorted by Media Accreditation and Liaison Unit staff, will also be allowed to take photographs from the bridge at the back of the General Assembly Hall during statements. These operations will be coordinated by the Unit officers accompanying the media.

Coverage of bilateral meetings

131. Photo opportunities may be available for bilateral meetings. Media representatives interested in covering the meetings will need to contact the relevant delegations to obtain permission to attend. Delegates will be provided secondary passes to escort their media to the designated bilateral spaces only.

United Nations audiovisual materials

132. Photographs in digital format (JPG) will be available for download free of charge on the United Nations photo website (www.un.org/av/photo). Photo enquiries and requests should be addressed to the United Nations Photo Library, Secretariat Building 11th Floor (telephone: 212 963 0034; email: photolibrary@un.org).

133. Digital files of speeches delivered during the general debate and Security Council meetings can be downloaded from the United Nations Audiovisual Library website (www.unmultimedia.org/avlibrary/) in MPEG-4 (H.264) format free of charge. Delegations may request high-resolution broadcast-quality video files, such as MOV files, through the Audiovisual Library (telephone: 212 963 0656; email: avlibrary@un.org). Delegations may also request digital copies of other meetings through the Audiovisual Library, subject to availability. Digital files that have been ordered in advance will generally be available on the same day. Requests received after events will be made available as soon as possible. All requests will be serviced in the order in which they are received.

134. Audio files of speeches in digital format (MP3) will also be available for download free of charge from the United Nations Audiovisual Library website. Audio enquiries and requests should also be addressed to the United Nations Audiovisual Library.

135. Live television feeds will be available through commercial carriers (see www.un.org/en/media/accreditation/pdf/UNTV_Transmission_Guide.pdf). For more information, contact United Nations Television (telephone: 212 963 7650, 212 963 7667 or 212 963 9399; email: untv@un.org).

136. Only pool television production services will be available from United Nations Television. Broadcasters interested in gaining access to United Nations Television live coverage of the high-level meetings and the general debate should call 212 963 7650. United Nations Television studios will not be available during the general debate. A detailed schedule of live and photo-op camera coverage will be emailed to broadcast clients in advance of the high-level meetings.

137. Statements in the original language of delivery will be available on the paper-smart services portal (<http://papersmart.unmeetings.org>). Special requests for a recording of the interpretation in one of the six official languages should be made in advance; the availability of such recordings is subject to the limitations of recording facilities.

138. The United Nations webcast service will provide daily live and on-demand streaming coverage of the high-level meetings and the general debate through the following platforms:

- UN Web TV website (webtv.un.org) — in all six official languages, plus the original language of the speaker
- UN Channel on YouTube (youtube.com/unitednations) — in English
- Facebook (facebook.com/UNWebTV) — in English
- Twitter (twitter.com/UNWebTV) — in English

Video recordings of each speaker at the general debate will be posted in all languages on the UN Web TV website for on-demand access. Additional webcast coverage will include press conferences, media stake-outs and other meetings and events. Queries about webcast coverage should be directed to the United Nations webcast service (telephone: 212 963 6733; email: damianou@un.org or justin@un.org).

139. Very limited radio studio facilities will be provided to delegates and accredited journalists, when available, during the general debate. There will be charges to cover any additional contractor costs for after-hours use. For radio studio availability and cost estimates for after-hours use, contact the Broadcast and Conference Support Section (email: request-for-services@un.org; telephone: 212 963 9485) and copy Ben Dotsei Malor, Chief of News 2 (malor@un.org) and Paulina Kubiak (kubiak@un.org).

Internet and social media

140. The United Nations website (www.un.org) will provide, through a dedicated portal web page (<http://gadebate.un.org>), live and on-demand video coverage of the General Assembly meetings, conferences, press briefings and events in the six official languages, including background information, press releases, news stories, documents, photographs and access to radio programmes and statements. To ensure the timely posting of the statements on the United Nations website, the texts should be sent to papersmart@un.org. The dedicated website for all General Assembly high-level meetings is www.un.org/en/ga/meetings/index.shtml. Any queries about website coverage should be directed to Peter Dawkins, Chief of United Nations Web Services (telephone: 212 963 6974; email: dawkins@un.org).

141. The United Nations Meetings Coverage Section, through its portal websites (English: www.un.org/press/en; and French: www.un.org/press/fr), will provide full coverage of the General Assembly plenary and high-level meetings, as well as of round tables and press conferences, in both English and French. Copies of press releases will also be available at the Media Documents Centre and in relevant conference rooms.

142. The United Nations News Centre (www.un.org/news) serves as the main portal for United Nations news and will be continuously updated. It will provide a wide array of links to related source materials, including press releases, selected reports and statements of the Secretary-General and the President of the General Assembly. Readers will also be able to follow stories on Facebook and Twitter and subscribe to a free email news alert service that will bring stories on the latest United Nations developments straight to their mailboxes or desktops.

143. Two smartphone applications are available to enable delegations and the media to follow the proceedings on their mobile phones. United Nations Audio Channels (for iOS and Android devices in the six official languages, as well as Portuguese and Kiswahili) provides live audio from the General Assembly Hall and the Security Council Chamber, in addition to United Nations Radio programmes in those eight languages. United Nations News Reader (for Android devices in the six official languages and for iOS devices in English only) provides constantly updated stories from the United Nations News Centre.

144. Regular social media updates will be posted to accounts managed by the Department of Public Information, which are listed at www.un.org/social. Member States are encouraged to post social media updates using the hashtags #UNGA. Questions about social media coverage may be directed to the Social Media Section (telephone: 917 367 7083; email: grovesn@un.org).

Briefings and press conferences

145. Daily briefings for the media will be given by the Spokesperson for the Secretary-General at noon in room S-0237. Press conferences by senior United Nations officials, delegations and the permanent missions will be held in the same room, unless otherwise indicated. The list of press conferences will be announced daily by the Office of the Spokesperson for the Secretary-General and will be posted at www.un.org/sg/spokesperson/confschedule.asp. It will also be available on the website of the Media Accreditation and Liaison Unit (www.un.org/en/media/accreditation/alert) and on Twitter (@UNMediaLiaison).

146. Delegations can book press conferences by calling the Office of the Spokesperson for the Secretary-General (telephone: 212 963 7707, 212 963 7160 or 212 963 7161).

147. Briefings and press conferences are open only to members of the media.

XIV. Medical services

148. The United Nations Medical Service will operate a walk-in clinic from 8.30 a.m. to 5 p.m. on weekdays for the duration of the General Assembly. The clinic is located on the fifth floor of the Secretariat Building (telephone: 212 963 7080). Weekend or evening medical support in the clinic will depend on demand and the meeting schedule.

149. During the high-level meetings, an immediate medical response capability will operate from within the General Assembly Building or from the Conference Building and will include support by on-site New York City ambulances and staff. For all other periods, immediate response will be provided from the main Medical Services Division clinic in the Secretariat Building.

150. Physicians travelling with Heads of State or Government should contact the Senior Medical Officer, Secretariat Operations, Dr. Mike Rowell (telephone: 917 367 8506; email: rowell@un.org) if they have special requirements or if they wish to view the medical facilities and support capacity available.

XV. Host country liaison

151. All enquiries concerning host country matters should be directed to James Donovan at the United States Mission to the United Nations during regular business hours (telephone: 212 415 4300; after hours, 212 415 4444, 646-510-0008).

XVI. Additional information and briefing sessions

152. Additional information will be issued if the need arises to update and expand the information contained in the present note. In addition, question-and-answer sessions for interested delegations may be arranged in the weeks leading up to the high-level meetings and the general debate.

153. In the lead-up to the high-level meetings, the following information documents will be issued:

- Note verbale from the Protocol and Liaison Service on protocol/accreditation arrangements
- Press kit for the seventy-third session of the General Assembly

- Delegates' handbook
- Information circular for the media

XVII. Sustainability

154. The United Nations is taking a number of measures to minimize its environmental impact and maximize social, economic and environmental sustainability. All participants are encouraged to contribute to sustainability efforts.

155. Waste management is a particular concern and the United Nations is determined to reduce and dispose of its waste sustainably. Participants are urged to comply with relevant procedures and waste separation signage. More information is available on greeningtheblue.org/unhq, and questions can be directed to Greeningunhq@un.org. Participants are also encouraged to bring reusable bottles/mugs and avoid disposable cups and plastic water bottles. Customers at the United Nations dining facilities receive a loyalty card for a free coffee after the 10th cup when they bring their own containers as part of the "Bring your own mug" programme. The locations of water fountains are marked on the building directories available throughout the campus.

156. Participants are encouraged to minimize paper consumption. A limited number of hard copies of documents will be available at the documents distribution counters located inside the General Assembly Hall. Participants are urged to use portable devices as the main way to access documentation, including the daily *Journal of the United Nations*, to limit demand for printed materials and reduce paper consumption. Participants are also encouraged to distribute non-official documentation electronically.

157. In accordance with paragraphs 54 and 55 above, a number of online services are made available for the benefit of delegations. Participants should consider electronic access through the platforms mentioned in paragraph 54 before printing documents.

158. Transportation generally has the highest carbon footprint for conferences. Participants are urged to identify and minimize greenhouse gas emissions relating to their travel and participation in meeting activities. A helpful resource is the Carbon Emission Calculator of the International Civil Aviation Organization (<https://www.icao.int/ENVIRONMENTAL-PROTECTION/CarbonOffset/Pages/default.aspx>). In New York City, public transportation is one of the best ways to get around. If long-distance travel is unavoidable, participants could consider offsetting greenhouse gas emissions through reduction measures elsewhere. The secretariat of the United Nations Framework Convention on Climate Change has made available a platform for certified reduction measures (<https://offset.climateneutralnow.org>).

159. Participants are also encouraged to consider their carbon footprint also when selecting accommodation. In particular, implementation of energy efficiency measures, compliance with green building standards and usage of renewable energy sources by the accommodation selected could help to reduce the carbon footprint.

XVIII. Accessibility: arrangements for persons with disabilities

160. Delegations are requested to inform the Secretariat of the accessibility requirements of delegates in order to facilitate participation in meetings. Upon request, certain adjustments can be made to seating arrangements with a view to enabling the participation of persons with disabilities, in keeping with the rules of procedure, precedents and practices of the General Assembly. For individual requests, please contact the advance team of the Meetings Servicing Unit of the Department for

General Assembly and Conference Management (email: prepwork@un.org; telephone: 212 963 7349).

161. The United Nations Accessibility Centre offers assistive information and communications technology to support those with auditory, visual or physical impairments. The assistive devices are available on-site or as a loan to participants with disabilities. The Accessibility Centre is located in the Conference Building (level 1B, by the Secretariat Building escalators). For more information, please visit www.un.org/accessibilitycentre/.

162. A limited amount of printing on demand in Braille is available through the Accessibility Centre with prior notice.
