65. At the seventy-fourth session of the General Assembly, limited copies of official documents will be available at the documents distribution counters located inside the
General Assembly Hall. For meetings being held in conference rooms, limited copies of official documents will be available at the meetings services desk. The Department for General Assembly and Conference Management will also provide documents-on-demand services (printing of additional copies of official documents, assistance with access to online services, etc.) through the Documents Assistance Centre (Conference Building, North Lounge, room CB-0264) and at the Documents Counter (Secretariat Building, room S-1B-032).

66. In addition, daily distribution of predetermined quantities of the *Journal of the United Nations* and specified documents issued at Headquarters will be available for collection at the distribution pick-up area, located in room L-1B-100 of the Library Building. Any changes to quantities of documents for distribution to delegations should be submitted at least two working days prior to the effective date and addressed in writing to the Chief of the Meetings Support Section (email: chiefmss-dgacm@un.org).

67. The *Journal of the United Nations*, featuring information on the current day’s meetings and on forthcoming meetings, as well as summaries of official meetings held the previous day, is now available in a multilingual digital format, compatible with mobile devices such as smart phones and tablets, at [https://journal.un.org](https://journal.un.org). In accordance with General Assembly resolutions 71/323 and 72/313, all content related to official meetings is published in the six official languages throughout the year, in accordance with rule 55 of the rules of procedure of the Assembly. In addition to the programme of meetings being held at Headquarters, the digital version also provides a wide array of useful information, including on the list of Chairs of regional groups for each month; signatures and ratifications of multilateral treaties deposited with the Secretary-General; the daily list of documents issued at Headquarters; and other events organized by permanent and observer missions. Inquiries regarding the *Journal* should be addressed to the Journal Unit (Secretariat Building, 12th floor; email: journal@un.org; telephone: 212 963 3888/212 963 0493).

68. Any additional documentation needed can be retrieved online through the Official Document System ([https://documents.un.org](https://documents.un.org)). Documents are also available through the Department’s eSubscription service, at [www.undocs.org](http://www.undocs.org). Delegates can sign up to receive the latest edition of the *Journal* and documents issued daily at Headquarters for viewing directly on their computer or mobile device.

69. Delegations are invited to submit electronic versions of their statements (preferably in PDF format) by email to papersmart@un.org no later than two hours in advance of delivery. Alternatively, delegations can bring a hard copy (unstapled), for scanning and uploading, to the documents counter located inside the General Assembly Hall or to any conference officers’ desk within meeting rooms. The name of the meeting and of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statements will remain embargoed until their delivery and then posted. Only statements presented during the course of the meeting will be posted.

70. In order to facilitate the provision of interpretation and verbatim reporting services, 20 copies of a statement should be submitted to the receiving area at the documentation desk located at the rear of the General Assembly Hall between 8 and 9 a.m. by a delegation representative in possession of a valid United Nations grounds pass. Access will be through the 46th Street gate, through the screening area, utilizing the west side elevators in the lobby of the General Assembly Building to the second floor. The texts of the statements will be accepted only on the day on which they are to be given.

71. Statements made in any of the six official languages of the General Assembly are interpreted into the other official languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a
time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute in order to ensure that the statement is delivered at a normal pace.

72. Any speaker may also make a statement in a language other than the official languages. In such cases, in accordance with rule 53 of the rules of procedure of the Assembly, the delegation in question must provide either an interpreter from the non-official language into an official language, or a written text of the statement in one of the official languages, to be read out by a United Nations interpreter. On the basis of the interpretation or the written text that is accepted by the Secretariat as representing the official text of the statement, it will be interpreted into the other official languages by United Nations interpreters. When a written text is provided, the delegation concerned should make available to the interpreter someone who knows the language in which the statement is to be delivered and the official language into which it has been translated, to guide the interpreter through the translated text and to ensure synchronization between the speaker and the interpreter.

73. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreter booths in the General Assembly Hall, must be made in advance through the Meetings Management Section (telephone: 212 963 7351; email: gmeets@un.org). The interpreter or the guide provided by the delegation should be brought by the delegation to the conference officers’ desk in front of the General Assembly Hall 30 minutes prior to the delivery of the statement.

VI. Credentials

74. In accordance with rule 27 of the rules of procedure of the General Assembly, credentials for the seventy-fourth session of the General Assembly must be addressed to the Secretary-General and signed by the Head of the State or Government or the Minister for Foreign Affairs. In accordance with rule 25 of the rules of procedure, the delegation may consist of not more than five representatives and five alternate representatives and as many advisers, technical advisers, experts and persons of similar status as may be required by the delegation. The original hard copy of the credentials should be delivered to the Office of Legal Affairs on the 36th floor of the Secretariat Building (room S-3604, S-3608 or S-3639) not less than one week before the opening of the session. In addition, starting from the seventy-fourth session of the General Assembly, a scanned copy of the credentials, as well as other communications containing the names of representatives to the seventy-fourth session (such as letters and notes verbales from the permanent missions), should be submitted through the new online platform, “e-Credentials”, which can be accessed through the e-deleGATE portal (https://delegate.un.int).
VII. Protocol registration and access arrangements for Member States, observers, intergovernmental organizations, specialized agencies and related organizations

Registration

75. Registration of official delegations and members of the parties of Heads of State or Government, Vice-Presidents and Crown Princes or Princesses will be carried out by the Protocol and Liaison Service. Missions and offices are required to submit their registration requests by using the existing online e-Registration system, available through the e-deleGATE portal at https://delegate.un.int. Delegations wishing to obtain information on the system may refer to the updated “Guidelines on e-Registration” and “Frequently asked questions” sections posted on the Protocol and Liaison Service website (http://protocol.un.org). It should be noted that all registration requests, including requests for VIP passes, must be submitted through the e-Registration system. The deadline for submission of accreditation requests is Friday, 13 September 2019.

76. Heads of State or Government, Vice-Presidents, Crown Princes or Princesses and their spouses will be offered VIP passes without photographs. Deputy Prime Ministers, cabinet ministers and their spouses will be provided VIP passes with photographs.

77. The working hours of the registration unit (telephone: 212 963 7181) in the Protocol and Liaison Service in the days prior to and during the high-level meetings and the general debate will be posted on the Protocol and Liaison Service website and at the entry to the Protocol Office not later than 6 September 2019.

Access to meeting rooms and restricted areas

78. Logistical arrangements and arrangements on access to the General Assembly Hall for the Secretary-General’s Climate Action Summit on 23 September 2019 will be communicated to missions at a later stage.

79. During the high-level meetings and the general debate of the seventy-fourth session of the General Assembly, from 23 to 30 September 2019, access to the General Assembly Hall and restricted areas will require a regular delegate’s pass and a secondary colour-coded access card. The access cards are transferable strictly among members of a delegation only. For that purpose, the Protocol and Liaison Service will proceed as follows:

Access to the General Assembly Hall for the general debate, from 24 to 30 September 2019, as well as to the second floor of the General Assembly and Conference Buildings

(a) Every permanent mission will be issued six cards of one colour for access to the General Assembly Hall and four cards of a different colour for access to the second floor of the General Assembly and Conference Buildings;

(b) Each intergovernmental organization will be issued two colour-coded access cards and each specialized agency will be issued one colour-coded access card for access to the General Assembly Hall; in addition, each intergovernmental organization and specialized agency will receive two cards of a different colour for access to the second floor of the General Assembly and Conference Buildings;

(c) The access cards for the General Assembly Hall and the second floor of the General Assembly and Conference Buildings will be valid for the period of the general debate, from 24 to 30 September 2019;
Access to other conference rooms

(d) If required, access cards will be issued to representatives of Member States, observers, intergovernmental organizations and specialized agencies participating in other high-level meetings and associated panel discussions for access to various conference rooms during the high-level week from 24 to 30 September 2019.

80. Colour-coded access cards for the high-level meetings and the general debate will be distributed by the Protocol and Liaison Service on Thursday, 19 September 2019, from 10 a.m. to 5 p.m. in Conference Room B. Thereafter, access cards may be collected from the office of the Protocol and Liaison Service in room S-0200 during working hours.

81. During the general debate, seats will be reserved in a VIP area for spouses of the Heads of State or Government, Vice-Presidents and Crown Princes or Princesses participating in the general debate, provided that the Chief of Protocol is notified in advance of their attendance. Priority will be first given to spouses of Heads of State. In addition, depending on availability, a limited number of seats will be reserved for guests of delegations on the fourth floor balcony, and in VIP section A (up to 15 seats) of the General Assembly Hall during the address of the head of delegation at the plenary meeting of the general debate. Access to those areas will require a special courtesy ticket distributed by the Protocol and Liaison Service.

82. To reserve seats in the VIP area for spouses and in those sections reserved for guests of delegations in the General Assembly Hall, permanent missions are required to submit a request by completing an SG.40 form (available at http://protocol.un.org under “Registration Processes” then “Forms”) specifying the names and titles of all attendees (up to 15) (including, where relevant, the spouse of the dignitary speaking) to the Chief of Protocol in room S-0200 (fax: 212 963 1921; or email: unprotocol@un.org) at least one week in advance of the address. The special courtesy tickets will be available for collection one day prior to the address of the head of delegation. Ticket holders to these areas who are not in possession of a United Nations grounds pass must be escorted by a representative of the mission with a valid United Nations grounds pass and enter the United Nations through the 46th Street entrance.

83. All documents, forms and information material on the seventy-fourth session of the General Assembly issued by the Protocol and Liaison Service may be accessed at its website (http://protocol.un.org).

VIII. Welcoming reception

84. A welcoming reception will be held in honour of the Heads of State or Government, Vice-Presidents and Crown Princes or Princesses participating in the seventy-fourth session of the General Assembly, from 8 to 8.50 a.m. on Tuesday, 24 September 2019, in the Indonesian Lounge on the second floor of the General Assembly Building.

IX. State luncheon

85. The Secretary-General will host a luncheon (without spouses) in honour of Heads of State or Government, Vice-Presidents and Crown Princes or Princesses participating in the seventy-fourth session of the General Assembly. Heads of delegation at a level other than Head of State or Government will also be invited. The
luncheon will be held at 1.15 p.m. on Tuesday, 24 September 2019, in the North Delegates Lounge of the Conference Building.

X. Joint briefing

86. There will be a joint briefing by the Department for General Assembly and Conference Management, the Department of Safety and Security, the Department of Global Communications and the Office of Legal Affairs for delegations on Monday, 9 September 2019, at 3 p.m. in Conference Room 1. Permanent missions and observer missions are strongly encouraged to be present at the briefing.

XI. Security arrangements

General considerations

87. The Headquarters complex will be closed to the public from 5.30 p.m. on Friday, 20 September 2019, until the close of business on Tuesday, 1 October 2019. During that time, guided tours will be suspended.

88. Access to the United Nations complex during the high-level meetings will be restricted to delegates and their staff; staff members of the United Nations Secretariat and of the funds, programmes and agencies of the United Nations system; accredited media; and affiliates who have been issued a United Nations grounds pass.

89. Members of civil society and non-governmental organizations who are invited to attend the high-level meetings or other events will be required to be in possession of government-issued identification and a special event ticket (indicating a specific meeting, date and time) at all times. The issuance of special event tickets is the responsibility of the United Nations sponsoring office and/or permanent mission. Non-United Nations guests will require a sponsoring office or delegation staff member escort from the access point on Second Avenue and 46th Street to the meeting or event location.

90. For all government delegations (Member States or observers), grounds passes will be issued at the office of the Pass and Identification Unit, located at 320 East 45th Street. For grounds passes for national security officers accompanying Heads of State or Government, contact Captain Paul Jankowsky, Special Services Unit (telephone: 212 963 7531). See the annex for a sample of the grounds pass request form for security staff.

91. It should be noted that access to the United Nations will be denied to anyone who is not in the above-listed categories and who is not in possession of a valid grounds pass or special event ticket. To avoid last-minute difficulties, all Governments are requested to ensure the proper accreditation of their delegations.

92. Questions or concerns should be directed to Kevin O Hanlon, Officer-in-Charge, United Nations Headquarters, Security and Safety Service, by contacting the Security Event Planning Unit (Captain Charlene Wilson, telephone: 212 963 2867), or through Inspector Albert Lyttle (212 963 9346) or Inspector Paula Goncalves (212 963 3694).

Access to the United Nations Headquarters complex

93. The opening hours of the pedestrian entrances are as follows:
42nd Street and First Avenue: Open 24 hours
46th Street and First Avenue: 6 a.m. to close of business
47th Street and First Avenue: 6 a.m. to close of business (media exclusive entrance)

94. Please be aware that all packages brought onto the premises by all categories of persons, including delegates and staff, will be subject to security inspection.

95. Prior arrangements are required to be made through notification to the Security Operations Centre at extension 3-6666 for after-hours access to the premises by the press and affiliates.

No pedestrian access through the delegates’ entrance

96. During the seventy-fourth session, the delegates’ pedestrian entrance gate, located at 45th Street and First Avenue, will be closed owing to motorcade activity. Therefore, the gate positioned to the south of the 46th Street and First Avenue entrance will be reserved for the use of high-level VIPs, delegations issued Protocol grounds passes, permanent representatives to the United Nations, heads of delegation and senior United Nations staff who are in possession of gold-coloured grounds passes, in order to access the delegates’ entrance.

Pass and identification office: issuance of grounds passes

97. In preparation for the seventy-fourth session of the General Assembly, the Pass and Identification Unit, located on the ground floor of the FF Building at 320 East 45th Street, will be open to staff members and members of delegations.

98. Annual and temporary non-governmental organization passes will not be issued from 10 September 2019 until the end of the general debate. Any non-governmental organization invited to attend meetings or events during the high-level period will be issued special event tickets by the sponsoring United Nations office or Member State.

99. The days and hours of operation of the office will be as follows:

Access to restricted areas

100. In accordance with the established procedures, it should be noted that the second floor of the General Assembly Building is reserved for members of delegations and staff who are conducting official business. In all cases, valid United Nations grounds passes will be required. Owing to the space constraints on the second floor of the General Assembly Building, members of delegations are requested not to congregate within that area and instead to utilize the second floor of the Conference Building.

101. Members of non-governmental organizations are not allowed access to the restricted areas; their access to meetings at Headquarters will be honoured upon verification of a valid special event ticket issued for the current day’s meeting(s).

Escorted motorcade drop-off

102. Escorted motorcades will be authorized to enter United Nations premises at the 43rd Street and First Avenue vehicular entrance and drop off their passengers at the delegates’ arrival tent. Thereafter, they will be required to exit the premises through the 45th Street and First Avenue gate. All escorted motorcade movements on the premises will be established by the Security and Safety Service and coordinated in conjunction with the host country.

Unescorted motorcade drop-off

103. Unescorted vehicles will be allowed to drop off passengers at the 46th Street and First Avenue crosswalk. A valid grounds pass and an authorized United Nations e-Tag (issued by the Garage Administration and labelled “UNGA74”) will be required for presentation at the 46th Street and Second Avenue vehicle checkpoint prior to access being granted.

Traffic in the Secretariat Circle and through the 43rd Street gate

104. The very limited operating space in the Secretariat Circle and delegates roadway areas requires strict controls in respect of access to those areas, in order to ensure safety and to avoid undue obstructions and delays of delegation vehicles and the motorcades of high-level government officials.

105. Vehicular access to the premises through the gate at First Avenue and 43rd Street is therefore restricted to host country law enforcement-escorted motorcades.

106. The regular traffic pattern permitting authorized vehicles to exit the Secretariat Circle through the 45th Street gate from 9 a.m. to 7 p.m. on weekdays will resume on Wednesday, 2 October 2019.

Parking

107. For the duration of the high-level meetings and general debate, vehicles will be permitted access to enter the garage through the 48th Street entrance and depart through the 42nd Street exit, which will be operational on a 24-hour basis. Please note that this is a change from the normal procedures for garage entry into Headquarters. Traffic lanes within the third basement service drive and roadways in the garage must be kept free of stationary vehicles at all times. Vehicles left in that area will be subject to towing.

108. All vehicles entering the Headquarters premises will be subject to search. Thus, it is highly recommended that members limit the contents inside their vehicles in order to expedite the physical security clearances.
109. Bicycles and other non-motorized means of transport into Headquarters premises will not be permitted.

XII. Arrangements for meetings

Facilities

110. For bilateral meetings, a limited number of temporary booths, with a maximum capacity of eight participants, will be available in the General Assembly Building.

Reservation system

111. An electronic reservation system will be activated through gMeets (https://icms.un.org/gMeets) on 9 September 2019 in order to provide for the equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically through gMeets by accessing https://icms.un.org/gMeets, logging in with the username and password of their permanent mission and clicking on the “Bilateral” tab. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request. Reservations will be accepted for periods of 20 minutes in duration, on the hour and half hour. To prevent double bookings, only the delegations initiating the bilateral meeting(s) should submit the request.

112. Information about booth assignments will be provided one day prior to the meeting. Depending on the programme, every effort will be made to keep a delegation’s consecutive appointments in the same booth. Late requests will be accepted until 6 p.m. on the day prior to the meeting, and every effort will be made to assign a booth on the basis of the availability of space at that time. Delegations requiring further information regarding bilateral meeting requests should send their questions or enquiries to bilats-msu@un.org.

XIII. 2019 treaty event

113. The Secretary-General, in a letter dated 5 April 2019 addressed to Heads of State or Government, invited States to consider signing and ratifying or acceding to multilateral treaties deposited with him during the general debate of the seventy-fourth session of the General Assembly.

114. The treaty event will be held from 24 to 27 September 2019 in the treaty signing area on the ground floor of the General Assembly Building. Appointments for signature, ratification or accession should be arranged well in advance with the Treaty Section of the Office of Legal Affairs (telephone: 212 963 5047). States intending to ratify or accede to a treaty deposited with the Secretary-General must submit copies of their instruments to the Treaty Section for review, preferably by 6 September 2019. It should be noted that Heads of State or Government and Ministers for Foreign Affairs do not require full powers to sign. Copies of instruments and full powers may be sent to the Treaty Section (fax: 212 963 3693).

115. Information relating to the treaty event, including the letter of invitation from the Secretary-General to Heads of State and Government, a list of multilateral treaties to be highlighted at the treaty event, a list of all multilateral treaties deposited with the Secretary-General and procedural information provided by the Under-Secretary-General for Legal Affairs and United Nations Legal Counsel to permanent representatives in New York can be obtained from the United Nations Treaty Collection website (https://treaties.un.org).
116. In addition to the Head of State or Government or Minister for Foreign Affairs, two individuals per delegation will be permitted to attend the event. It should be noted that it is the responsibility of the delegation to escort the representative who will be undertaking the relevant treaty action to the venue 5 to 10 minutes prior to the scheduled appointment. A protocol officer will greet and escort dignitaries (Head of State or Government, Vice-President, Crown Prince or Princess) from the escalators in the main hall.

117. It should also be noted that, in order to gain access to the premises during the 2019 treaty event, national media must have previously obtained proper media accreditation from the Media Accreditation and Liaison Unit.

118. Each delegation should designate an individual as a contact person for the purposes of the treaty event.

XIV. Media access arrangements and services

119. Media representatives with a valid United Nations grounds pass will be allowed to cover the general debate and other high-level meetings without additional accreditation.

120. Accreditation of media representatives accompanying the delegation, including official photographers and videographers, will be carried out by the Media Accreditation and Liaison Unit. Missions/offices are required to submit their media accreditation requests by using the e-Registration system, available through the e-deleGATE portal at https://delegate.un.int. Requests should be submitted no later than 5 September to ensure timely processing. Government press/information officers should not be accredited as members of the media, unless their role is to take photos or videos. For more information, contact the Media Accreditation and Liaison Unit (email: malu@un.org; telephone: 212 963 6934).

121. Media representatives who wish to apply for accreditation independently must fill out the online form and upload a request on the letterhead of the media organization. Additional information regarding media accreditation and arrangements can be found at http://www.un.org/en/media/accreditation/unga.shtml. The deadline for general media accreditation is 2 September.

**Entry and screening procedures**

125. The designated media entrance, for both resident correspondents with equipment and non-resident correspondents with or without equipment, is located at 47th Street and First Avenue, where they and their equipment will be subject to security screening. All media representatives will be required to present a valid United Nations grounds pass to the United Nations security officers at the gate.

126. Media representatives who wish to go to the third floor media liaison desk in the General Assembly Building will be required to use the ramp located on the east side of the General Assembly Building and the staircase within the neck area to the third floor.

Bringing together well-known personalities and Member States, along with content creators, influencers and media partners, the SDG Media Zone will provide a dynamic space for strengthening the commitment of the international community in support of the 2030 Agenda for Sustainable Development. More information can be found at http://www.un.org/sdgmediazone/ or by contacting palanivelu@un.org.

**Media tickets to meetings and events**

133. A limited number of tickets will be available for the press gallery of the General Assembly Hall and other meetings that require secondary event tickets. Media liaison desk staff will distribute tickets on a first-come, first-served basis 30 minutes before the meetings. Delegations that are organizing meetings should notify the Media Accreditation and Liaison Unit regarding whether media can attend and allocate press tickets accordingly.
Pool coverage
134. In some events, owing to logistics and space considerations, select media would have to provide pooled media coverage.

135. Official and national photographers and television crews will have an opportunity to cover the statement of their Head of State or Government or head of delegation on a rotating basis from the press booths surrounding the General Assembly Hall. Owing to space limitations, they may not remain in the booth to cover other speeches.

136. A limited number of still photographers, escorted by Media Accreditation and Liaison Unit staff, will also be allowed to take photographs from the bridge at the back of the General Assembly Hall during statements. These operations will be coordinated by the Unit officers accompanying the media.

Coverage of bilateral meetings
137. Photo opportunities may be available for bilateral meetings. Media representatives interested in covering the meetings will need to contact the relevant delegations to obtain permission to attend. Delegates will be provided secondary passes to escort their media to the designated bilateral booths only.

152. Delegations can book press conferences by calling the Office of the Spokesperson for the Secretary-General (telephone: 212 963 7707, 212 963 7160 or 212 963 7161).

153. Briefings and press conferences are open only to members of the media.

XV. Access to representatives of non-governmental organizations

154. From 10 September 2019, no new temporary passes will be approved for representatives of non-governmental organizations (NGOs) for the duration of the high-level week of the General Assembly. Access to United Nations premises will be granted with valid United Nations grounds passes until 19 September 2019. From 20 September to 1 October 2019, annual and temporary grounds passes for NGOs in consultative status with the Economic and Social Council will not be sufficient to enter United Nations premises in New York during this period.

155. Special passes for the General Assembly will be distributed daily from 24 September to 1 October by the NGO Branch of the Department of Economic and Social Affairs on a first-come, first-served basis at the corner of Second Avenue and 46th Street from 9 to 10 a.m. and from 2 to 3 p.m. for participation on the same day. Owing to the limited number of passes available, and in order to provide equal opportunity to all NGOs in consultative status to attend the sessions, special half-day passes will be distributed to one representative from each NGO to attend either the morning session or the afternoon session, but not both. In other words, NGOs participating in the morning session cannot participate in the afternoon session.

156. If representatives from NGOs register for specific events and are approved to participate, they will be issued name-specific special passes for those events by the Department of Safety and Security, for distribution by the event organizers. The usual procedures for United Nations grounds passes will be reinstated as of 2 October.
XVI. Medical services

157. The United Nations Headquarters medical clinic will operate a walk-in service from 9 a.m. to 5 p.m. on weekdays for the duration of the seventy-fourth session of the General Assembly. The clinic is located on the fifth floor of the Secretariat Building (telephone: 212 963 7080). Weekend or evening medical support in the clinic will depend on demand and the meeting schedule.

158. During the high-level meetings, an immediate medical response capability will operate from within the General Assembly Building or from the Conference Building and will include support by on-site New York City ambulances and staff. For all other periods, immediate response will be provided from the Headquarters medical clinic in the Secretariat Building.

159. Physicians travelling with Heads of State or Government should contact the Senior Medical Officer, Occupational Safety and Health, Dr. Mike Rowell (telephone: 917 367 8506; email: rowell@un.org) if they have special requirements or if they wish to view the medical facilities and support capacity available.

XVII. Host country liaison

160. All enquiries concerning host country matters should be directed to James Donovan at the United States Mission to the United Nations during regular business hours (telephone: 212 415 4300; after hours, 212 415 4444, 646 510 0008).

XVIII. Additional information and briefing sessions

161. Additional information will be issued if the need arises to update and expand the information contained in the present note. In addition, question-and-answer sessions for interested delegations may be arranged in the weeks leading up to the high-level meetings and the general debate.

162. In the lead-up to the high-level meetings, the following information documents will be issued:

• Note verbale from the Protocol and Liaison Service on protocol/accreditation arrangements
• Press kit for the seventy-fourth session of the General Assembly
• Delegates’ handbook
• Information circular for the media

XIX. Sustainability

163. The United Nations is taking a number of measures to minimize its environmental impact and maximize social, economic and environmental sustainability. All participants are encouraged to contribute to sustainability efforts.

164. Waste management is a particular concern and the United Nations is determined to reduce and dispose of its waste sustainably. Participants are urged to comply with relevant procedures and waste separation signage. More information is available on http://greeningtheblue.org/unhq, and questions can be directed to Greeningunhq@un.org. Participants are also encouraged to bring reusable bottles/mugs and avoid disposable cups and plastic water bottles. Customers at the
United Nations dining facilities receive a loyalty card for a free coffee after the tenth cup when they bring their own containers as part of the “Bring your own mug” programme. The locations of water fountains are marked on the building directories available throughout the campus.

165. Participants are encouraged to minimize paper consumption. A limited number of hard copies of documents will be available at the documents distribution counters located inside the General Assembly Hall. Participants are urged to use portable devices as the main way to access documentation, including the daily *Journal of the United Nations*, to limit demand for printed materials and reduce paper consumption. Participants are also encouraged to distribute non-official documentation electronically.

166. In accordance with paragraphs 68 and 69 above, a number of online services are made available for the benefit of delegations. Participants should consider electronic access through the platforms mentioned in paragraph 68 before printing documents.

167. Transportation generally has the highest carbon footprint for conferences. Participants are urged to identify and minimize greenhouse gas emissions relating to their travel and participation in meeting activities. A helpful resource is the Carbon Emission Calculator of the International Civil Aviation Organization ([https://www.icao.int/ENVIRONMENTAL-PROTECTION/CarbonOffset/Pages/default.aspx](https://www.icao.int/ENVIRONMENTAL-PROTECTION/CarbonOffset/Pages/default.aspx)). In New York City, public transportation is one of the best ways to get around. If long-distance travel is unavoidable, participants could consider offsetting greenhouse gas emissions through reduction measures elsewhere. The secretariat of the United Nations Framework Convention on Climate Change has made available a platform for certified reduction measures ([https://offset.climateneutralnow.org](https://offset.climateneutralnow.org)).

168. Participants are also encouraged to consider their carbon footprint also when selecting accommodation. In particular, implementation of energy efficiency measures, compliance with green building standards and usage of renewable energy sources by the accommodation selected could help to reduce the carbon footprint.

**XX. Accessibility: arrangements for persons with disabilities**

169. Delegations are requested to inform the Secretariat of the accessibility requirements of delegates in order to facilitate participation in meetings. Upon request, certain adjustments can be made to seating arrangements with a view to enabling the participation of persons with disabilities, in keeping with the rules of procedure, precedents and practices of the General Assembly. For individual requests, please contact the Meetings Support Section of the Department for General Assembly and Conference Management (email: prepwork@un.org; telephone: 212 963 7349).

170. The United Nations Accessibility Centre offers assistive information and communications technology to support those with auditory, visual or physical impairments. The assistive devices are available on-site or as a loan to participants with disabilities. The Accessibility Centre is located in the Conference Building (level 1B, by the Secretariat Building escalators). For more information, please visit [www.un.org/accessibilitycentre/](http://www.un.org/accessibilitycentre/).

171. A limited amount of printing on demand in Braille is available through the Accessibility Centre with prior notice.
