3. The summit on biodiversity will be held on Wednesday, 30 September 2020, pursuant to resolution 74/269 and decision 74/562.

4. The high-level meeting on the twenty-fifth anniversary of the Fourth World Conference on Women will be held on Thursday, 1 October 2020, pursuant to resolutions 73/294 and 73/340 and decision 74/562.

5. The high-level plenary meeting to commemorate and promote the International Day for the Total Elimination of Nuclear Weapons will be held on Friday, 2 October 2020, in accordance with resolution 74/54 and decision 74/562.

6. A Sustainable Development Goals Moment online event, convened by the Secretary-General, will be held on Friday, 18 September 2020. A high-level meeting convened by the Secretary-General and the Prime Ministers of Canada and Jamaica on the theme “Financing the 2030 Agenda for Sustainable Development in the era of COVID-19 and beyond” will be held on Tuesday, 29 September 2020. The Secretary-General has also convened a leaders event on climate change on a date to be determined.

II. General considerations in the context of COVID-19

7. The practical arrangements for the conduct of the high-level meetings and general debate of the seventy-fifth session of the General Assembly will be affected by COVID-19, including with regard to whether certain events take place, how they are conducted and the number of attendees. All changes reflect risk assessments and advice provided by the Occupational Safety and Health Committee of the Crisis Operations Group. The assessments are also based on host city and state guidance, the current phase of the COVID-19 Reintegration Plan for the United Nations Headquarters complex and an up-to-date understanding of the risks posed by the pandemic to delegates and United Nations personnel.

8. Wherever possible, online meetings remain the recommended and preferred option. Taking into account that New York State guidelines do not currently permit indoor gatherings of more than 25 people, all events will be ticketed to limit the number of delegates in the United Nations Headquarters complex and in each meeting room. Bilateral meetings and ad hoc face-to-face meetings are not permitted within the complex.

Access and movement

9. Entry to the Headquarters complex will be restricted in order to meet the occupancy limits and ensure that adequate space is maintained for physical distancing. No visitors will be allowed entry and external media will be limited (see sect. XI). All persons will be required to attest as a condition of entry that they have not had symptoms of or been diagnosed with COVID-19, or had close contact with someone who has symptoms of or has been diagnosed with COVID-19, in the
previous 14 days. International travellers should familiarize themselves with local health requirements.

10. Throughout the complex, doors will be opened to allow no-touch passage, walkways will be arranged and signage will be posted to improve one-way flow, access to elevators will be limited to two people at a time and seating will be removed from common areas. All attendees are requested to stagger their arrival and departure from the complex and to avoid congregating in common spaces.

**Personal protective measures**

11. All attendees will be expected to wear a mask or face covering except when directly addressing a meeting. All attendees will be required to lower their face covering when entering the compound or passing other security checkpoints if so requested by United Nations security officers to allow confirmation of photo identification. Physical distancing of two metres (six feet) is to be maintained except where to do so is considered unsafe or impractical. Hand sanitizing stations will be provided and increased cleaning will be implemented between meetings and for high-touch surfaces in order to reduce contact hazards. To further reduce the risk from contact, all food and beverage services will remain suspended. Frequent hand-washing with soap and water is encouraged and additional hand-washing facilities are available at the visitors’ entrance to the General Assembly building on the North Plaza and at the entrance to the Secretariat building.

**Reporting illness**

12. Attendees who become ill are requested to leave the complex immediately and seek medical care. The United Nations Headquarters medical service clinic will be closed for routine walk-in service. Emergencies will be managed at the location where the attendee falls ill. Attendees who are diagnosed with COVID-19 or show symptoms of the illness are strongly encouraged to notify the medical service by telephone (212 963 7090) or by email (to the confidential address unhqclinic@un.org). See also section XIII.

**Accessibility for persons with disabilities**

13. Attendees who require reasonable accommodation in the context of the rights of persons with disabilities and in light of the additional restrictions and requirements relating to COVID-19 should contact the Meetings Support Section of the Department for General Assembly and Conference Management (email: prepwork@un.org; telephone: 212 963 7349).

**III. Arrivals**

14. Strict adherence to the following requirements will ensure the timely and secure arrival of all parties:

   (a) All persons in motorcades must have valid United Nations photo identification in order to be permitted to pass through various security checks and enter the Headquarters complex;

   (b) Delegates wishing to come to the United Nations on foot from nearby locations are encouraged to do so – time will be saved and possible delays avoided;

   (c) With the exception of motorcades accompanied by police and/or secret service, any delegation arriving by car unescorted and without a parking e-tag will need a special vehicle permit. Apply for permits through the e-deleGATE portal. Car
permits will be approved by security and available for pick-up through the Garage Administration, room U-210 (telephone: 212 963 6212);

(d) In view of the ongoing COVID-19 pandemic, all persons accessing the United Nations Headquarters complex, and throughout their time on the premises, are required by the current safety protocols to wear an appropriate mask or face covering that covers the nose and mouth.

IV. Schedules, list of speakers, statements and other relevant information

15. The following points apply to all meetings listed in this section:

(a) In order to limit the footprint and number of people in the United Nations Headquarters complex, physical access and presence in the General Assembly Hall will be limited to one representative per Member State and observer State and for the European Union. If, nearer the time of the high-level week, the situation allows, the number may be increased to two representatives. In that case, the information will be communicated in a timely manner. In the instance of submission of pre-recorded statements, please see the Audio Video Guidelines contained in annex I to the present note. All pre-recorded statements should be submitted at least four days before the date on which the statement is scheduled to be played. For further information, please contact request-for-services@un.org;

(b) The proceedings of all meetings will be webcast live and on demand on United Nations Web TV.

VI. Documentation and interpretation

77. At the seventy-fifth session of the General Assembly, a limited number of hard copies of official documents will be available at the distribution pick-up area, located in room L-1B-100 of the library building. Delegations should submit requests for additional copies of documents for distribution to them at least two working days prior to the effective date and in writing to the Chief of the Meetings Support Section (email: chiefmss-dgacm@un.org).
78. The daily *Journal of the United Nations*, featuring information on the current day’s meetings and on forthcoming meetings, and summaries of official meetings held the previous day, is available in a multilingual digital format, compatible with mobile devices such as smartphones and tablets, at [https://journal.un.org](https://journal.un.org). In addition to the programme of meetings being held at Headquarters, the Journal provides useful information, including with regard to other meetings, informal consultations by permanent missions, the list of Chairs of regional groups for each month, signatures and ratifications of multilateral treaties deposited with the Secretary-General, the daily list of documents issued at Headquarters, and other events organized by permanent and observer missions. PDF versions may be downloaded from the web page. Inquiries regarding the *Journal* should be addressed to the Journal Unit (email: journal@un.org, telephone: 212 963 3888/0493).

79. Any additional documentation needed can be retrieved online through the Official Document System ([https://documents.un.org](https://documents.un.org)). The list of documents issued for the day and the *Journal* are also available through the eSubscription service ([www.undocs.org](http://www.undocs.org)) of the Department for General Assembly and Conference Management. Delegates can sign up to receive the latest edition of the *Journal* and documents issued daily at Headquarters for viewing directly on their computers or mobile devices.

80. In order to facilitate the provision of interpretation, verbatim reporting and summary record services, delegations are invited to submit electronic versions of their statements (preferably in Microsoft Word, as well as in PDF format) by email to estatements@un.org well in advance of the meeting but no later than two hours before delivery. The name of the meeting and of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statements will remain embargoed until their delivery and will then be posted. Only statements delivered at the meeting will be posted in the *Journal*.

81. Statements made in any of the six official languages of the General Assembly are interpreted into the other official languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute (as a guide for statements delivered in English) in order to ensure that the statement is delivered at a normal pace.

82. Any speaker may also make a statement in a language other than the official languages. In such cases, in accordance with rule 53 of the rules of procedure of the Assembly, the delegation in question must provide an interpreter from the non-official language into an official language. However, due to the physical distancing guidelines, there will be only limited facilities to accommodate such non-official language interpreters on site. Alternatively, any speaker may also make a pre-recorded video address in any of the six official languages, or in a language other than the official languages. In the latter case, the delegation in question should provide an audio recording of the interpretation into one of the official languages as well as the text of the statement translated into one of the official languages. Special requests for a recording of the interpretation in one of the six official languages should be made in advance, subject to the availability of recording facilities. When the pre-recorded video address in a non-official language is played back and broadcast on the “floor” channel in the original language, the audio of the pre-recorded interpretation will be simultaneously broadcast on the corresponding language channel.
83. For online meetings with interpretation, participants joining meetings live remotely should follow the guidance contained in the document entitled “Recommendations for participants in virtual meetings with remote interpretation” (forthcoming).

VII. Credentials

84. In accordance with rule 27 of the rules of procedure of the General Assembly, credentials for the seventy-fifth session of the General Assembly must be addressed to the Secretary-General and signed by the Head of the State or Government or the Minister for Foreign Affairs. In accordance with rule 25 of the rules of procedure, the delegation may consist of not more than five representatives and five alternate representatives and as many advisers, technical advisers, experts and persons of similar status as may be required by the delegation. A scanned copy of the credentials, as well as other communications containing the names of representatives to the seventy-fifth session (such as letters and notes verbales from the permanent missions), should be submitted, if possible by 8 September 2020, through the online platform, “e-Credentials”, which can be accessed through the e-deleGATE portal. While the original hard copy of the credentials should normally be submitted to the Office of Legal Affairs, owing to the restricted access to the United Nations Headquarters complex, the Office is unable to receive the original hard copies until further notice. An announcement will be made in the Journal of the United Nations when the Office is in a position to receive the original hard copies.

VIII. Protocol registration and access arrangements for Member States, observers, intergovernmental organizations, specialized agencies and related organizations

Registration

85. Registration of official delegations will be carried out by the Protocol and Liaison Service. Missions and offices are required to submit their registration requests for members of their delegations (in-person or online participation) by using the existing online e-Registration system, available through the e-deleGATE portal. Delegations wishing to obtain information on the system may refer to the updated “Guidelines on e-Registration” and “Frequently asked questions” sections posted on the Protocol and Liaison Service website (http://protocol.un.org). It should be noted that all registration requests, including requests for VIP passes, must be submitted through the e-Registration system. The deadline for submission of registration requests is Friday, 11 September 2020.

86. For members of delegations, it should be indicated in the online registration form whether a delegate will participate in person or online. If online participation is selected, a designated email address of the delegate must be provided in the form.

87. The working hours of the registration unit (telephone: 212 963 7181) in the Protocol and Liaison Service in the days prior to and during the high-level meetings and the general debate will be posted on the Protocol and Liaison Service website and at the entry to the Protocol Office not later than 4 September 2020.

Access to meeting rooms and restricted areas

88. During the high-level meetings and the general debate of the seventy-fifth session of the General Assembly, from 21 September to 2 October 2020, access to the General Assembly Hall and restricted areas will require a regular delegate’s pass and
a secondary colour-coded access card. The access cards are transferable strictly among members of a delegation only. It should be noted that access to the General Assembly Hall is limited to Member States, observer States and the European Union. For that purpose, the Protocol and Liaison Service will proceed as follows:

Access to the General Assembly Hall and restricted areas from 21 September to 2 October 2020

(a) Every permanent mission of a Member or observer State and the delegation of the European Union will be issued two colour-coded access cards for each of the following meetings, which are to be held in the General Assembly Hall:

(i) High-level meeting of the General Assembly to commemorate the seventy-fifth anniversary of the United Nations (21 September 2020);
(ii) General debate (22–26 September and 29 September 2020);
(iii) Summit on biodiversity, to be convened by the President of the General Assembly (30 September 2020);
(iv) High-level meeting of the General Assembly on the twenty-fifth anniversary of the Fourth World Conference on Women (1 October 2020);
(v) High-level plenary meeting convened by the President of the General Assembly to commemorate and promote the International Day for the Total Elimination of Nuclear Weapons (2 October 2020);

(b) It should be noted that, in order to limit the footprint and the number of people on United Nations premises, presence in the General Assembly Hall will be limited to one or, if the situation allows, two delegates per delegation (subject to the meetings risk assessment in September). If presence in the General Assembly Hall needs to be limited to one delegate per delegation, the second colour-coded access card issued for each meeting is to be used solely to facilitate the rotation of the delegates of each delegation during the meeting;

(c) Representatives of intergovernmental organizations and other entities who have received a standing invitation to participate as observers in the sessions and the work of the General Assembly and who wish to follow the proceedings of the general debate and other high-level meetings will each receive one secondary colour-coded access card for access to Conference Room 1 or Conference Room 2 in the first basement level, where one designated seat will be reserved for each organization with their nameplate;

(d) Access to the United Nations premises will require a regular delegate’s pass and a secondary colour-coded access card. Representatives of specialized agencies and related organizations who wish to follow the proceedings of the general debate and other high-level meetings will each receive one secondary access card for access to Conference Room 1 or Conference Room 2 in the first basement level, where one designated seat will be reserved for each organization with their nameplate.

Access to other conference rooms

89. Colour-coded access cards for the high-level meetings and the general debate will be distributed by the Protocol and Liaison Service in Room S-0200 through the counter windows on a staggered schedule, as follows:
Wednesday, 16 September

10 a.m. to 12 p.m.  Afghanistan to Dominican Republic
3 p.m. to 5 p.m.  Ecuador to Luxembourg

Thursday, 17 September

10 a.m. to 12 p.m.  Madagascar to Saudi Arabia
3 p.m. to 5 p.m.  Senegal to Zimbabwe, Holy See, State of Palestine and European Union

90. Reservations for guests of delegations in VIP section A and on the fourth floor balcony of the General Assembly Hall will not be available during the general debate. Should a permanent mission nevertheless envisage participation of a high-level dignitary, a very limited number of seats in VIP section B may be available. Permanent missions are required to submit a request to the Protocol Office (email: unprotocol@un.org).

91. All documents, forms and information material on the seventy-fifth session of the General Assembly issued by the Protocol and Liaison Service may be accessed at its website (http://protocol.un.org).

IX. Joint briefing

92. There will be an online joint briefing by the Department for General Assembly and Conference Management, the Department of Safety and Security, the Department of Global Communications, the Office of Legal Affairs and the Health-Care Management and Occupational Safety and Health Division of the Department of Operational Support for delegations on a date to be announced in the Journal of the United Nations. Representatives of permanent missions and observer missions are invited to register those who will participate in the briefing. A link for registration will be sent in due course.

X. Security arrangements

General considerations

93. The Headquarters complex will remain closed to the public, inclusive of guided tours, for the entirety of the high-level period and the general debate, which ends at close of business on Friday, 2 October 2020. The reopening of the complex to the public and the resumption of guided tours will be announced at a later date.

94. Access to the United Nations complex during the high-level meetings will be restricted to delegates and their staff; staff members of the United Nations Secretariat and of the funds, programmes and agencies of the United Nations system; accredited media; and affiliates who have been issued a United Nations grounds pass.

95. Owing to COVID-19 restrictions, civil society participation in the seventy-fifth session is expected to be online only, without setting any precedent for future General Assembly meetings. Special tickets for the General Assembly Hall for non-governmental organizations in consultative status with the Economic and Social Council and special event tickets for civil society and non-governmental organizations will therefore not be distributed.
96. For all government delegations (Member States or observers), grounds passes will be issued at the office of the Pass and Identification Unit, located at 320 East 45th Street. For grounds passes for national security officers accompanying Heads of State or Government, contact Captain Paul Jankowsky, Special Services Unit (telephone: 212 963 7531). See annex II for a sample of the grounds pass request form for security staff.

97. It should be noted that access to the United Nations Headquarters complex will be denied to anyone who is not in the above-listed categories and who is not in possession of a valid grounds pass. To avoid last-minute difficulties, all Governments are requested to ensure the proper accreditation of their delegations.

98. Questions or concerns should be directed to Kevin O Hanlon, Chief, United Nations Headquarters, Security and Safety Service, by contacting the Security Event Planning Unit (Captain Charlene Wilson, telephone: 212 963 2867), or through Inspector Bernard Robinson (telephone: 212 963 4400).

Access to the United Nations Headquarters complex

99. The opening hours of the pedestrian entrances are as follows:

<table>
<thead>
<tr>
<th>Entrance</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>42nd Street and First Avenue</td>
<td>7 a.m. to close of business</td>
</tr>
<tr>
<td>46th Street and First Avenue</td>
<td>7 a.m. to close of business</td>
</tr>
</tbody>
</table>

100. Please be aware that all packages brought onto the premises by all categories of persons, including delegates and staff, will be subject to security inspection.

101. Prior arrangements are required to be made through notification to the Security Operations Centre at extension 3-6666 for after-hours access to the premises by the press and affiliates.

No pedestrian access through the delegates’ entrance

102. During the seventy-fifth session, the delegates’ pedestrian entrance gate, located at 45th Street and First Avenue, will be closed owing to increased vehicular activities. To promote greater social distancing, the gate located at the 46th Street and First Avenue entrance will be reserved for the use of high-level VIPs, delegations issued Protocol grounds passes, permanent representatives to the United Nations, heads of delegation and senior United Nations staff who are in possession of gold-coloured grounds passes, in order to access the delegates’ entrance.

Pass and identification office: issuance of grounds passes

103. In preparation for the seventy-fifth session of the General Assembly, the Pass and Identification Unit, located on the ground floor of the FF Building at 320 East 45th Street, will be open to staff members and members of delegations.

104. The days and hours of operation of the office will be as follows:
Monday to Thursday, 14 to 17 September 8 a.m. to 4 p.m.
Friday, 18 September 7.30 a.m. to 4 p.m.
Monday to Friday, 21 to 25 September 8 a.m. to 4 p.m.
Saturday to Sunday, 26 to 27 September 9 a.m. to 2 p.m.
Monday to Friday, 28 September to 2 October 8 a.m. to 4 p.m.

Access to restricted areas

105. In accordance with the established procedures, it should be noted that the second floor of the General Assembly Building is reserved for members of delegations and staff who are conducting official business. In all cases, valid United Nations grounds passes will be required. Owing to the required physical distancing and space constraints on the second floor of the General Assembly Building, members of delegations are requested not to congregate within that area and instead to utilize the second floor of the Conference Building.

Escorted motorcade drop-off

106. Escorted motorcades will be authorized to enter the United Nations Headquarters complex at the 43rd Street and First Avenue vehicular entrance and drop off their passengers at the delegates’ arrival tent. Thereafter, they will be required to exit the premises through the 45th Street and First Avenue gate. All escorted motorcade movements on the premises will be established by the Security and Safety Service and coordinated in conjunction with the host country.

Unescorted motorcade drop-off

107. Unescorted vehicles will be allowed to drop off passengers at the 46th Street and First Avenue crosswalk. Properly accredited persons may then enter the premises through the 46th Street entrance.

Traffic in the Secretariat Circle and through the 43rd Street gate.

108. The very limited operating space in the Secretariat Circle and delegates roadway areas requires strict controls in respect of access to those areas, in order to ensure safety and to avoid undue obstructions and delays of delegation vehicles and the motorcades of high-level government officials.

109. Vehicular access to the premises through the gate at First Avenue and 43rd Street is therefore restricted to host country law enforcement-escorted motorcades.

110. The regular traffic pattern permitting authorized vehicles to exit the Secretariat Circle through the 45th Street gate from 9 a.m. to 7 p.m. on weekdays will resume on Monday, 5 October 2020.

Parking

111. For the duration of the high-level meetings and the general debate, with the exception of escorted motorcades, all vehicles authorized to enter the premises will be permitted to enter and exit the garage through the 42nd Street exit, which will be operational from 6 a.m. to close of business daily from 18 to 27 September and from 29 September to 2 October. Please note that traffic lanes within the third basement service drive and roadways in the garage must be kept free of stationary vehicles at all times. Vehicles left in those areas will be subject to towing.
112. All vehicles entering the Headquarters complex will be subject to search. Thus, it is highly recommended that members limit the contents inside their vehicles in order to expedite the physical security clearances.

113. Bicycles and other non-motorized means of transport into Headquarters premises will not be permitted.

XI. Media access arrangements and services

114. In order to limit the footprint and number of people at the United Nations Headquarters complex, physical access will be limited to media representatives who have an office at the United Nations Headquarters building and a very limited number of non-resident media (subject to the meetings risk assessment). Temporary media accreditation will not be issued for the high-level period.

Media Centre and other services

115. There will be no Media Centre during the high-level period. Meetings can be watched live and on-demand on the United Nations Web TV website at http://webtv.un.org. Live video feeds, downloadable files and photographs will be available from the Department of Global Communications (see “United Nations audiovisual materials” section below).

116. Members of the media can request documents, statements and press releases from the Media Documents Centre by emailing mdc@un.org.

117. A list of in-person and online meetings, briefings and other events open to the media will be posted daily at www.un.org/en/media/accreditation/alert.shtml.

118. Access to media booths, the press briefing room and the Security Council stake-out will be limited in order to reduce risk. There will be no dedicated stake-out in the General Assembly Building or elsewhere.

119. Information relevant to the media during the high-level period will be available at www.un.org/en/media/accreditation/unga.shtml. For any questions, contact the Media Accreditation and Liaison Unit by emailing malu@un.org.

Audiovisual services

120. Audiovisual services for meetings and events at the United Nations complex in New York are provided by the Broadcast and Conference Support Section of the Office of Information and Communications Technology (email: request-for-services@un.org; telephone: 212-963-9485; room: CB-1B-79).

121. 126. Only pool television production services will be available from United Nations Television. Broadcasters interested in gaining access to United Nations Television live coverage of the high-level meetings and the general debate should contact Ingrid Kasper or Cesar Martin Redi.

127. The United Nations webcast service will provide daily live and on-demand streaming coverage of the high-level meetings and the general debate through the following platforms:

Additional webcast coverage will include press conferences, media stake-outs and other meetings and events. Queries about webcast coverage should be directed to the United Nations webcast service (telephone: 212 963 6733; email: damianou@un.org or justin@un.org).

**Internet and social media**

129. The United Nations website (www.un.org) will provide, through a dedicated portal web page (http://gadebate.un.org), links to live and on-demand coverage of the high-level meetings of the General Assembly. Any queries about the web page should be directed to Peter Dawkins, Chief of the Web Services Section (telephone: 917 769 1318; email: dawkins@un.org).

130. The Meetings Coverage Section, through its portal websites (English: www.un.org/press/en; and French: www.un.org/press/fr), will provide coverage of the General Assembly plenary and high-level meetings in both English and French. Copies of press releases will also be available on demand, from the Media Documents Centre.
131. The United Nations News website (news.un.org/en) serves as the main portal for United Nations news and will be continuously updated in the six official languages as well as Hindi, Kiswahili and Portuguese. It will provide a wide array of links to source materials, including press releases, selected reports and statements of the Secretary-General and the President of the General Assembly. A feed will provide up-to-date news about the work of the General Assembly in all official languages. Readers will also be able to follow stories on Facebook and Twitter and subscribe to a free email news alert service that will bring stories on the latest United Nations developments straight to their mailboxes or desktops.

132. Two free smartphone applications are available to enable delegations and the media to follow the proceedings on their mobile phones. The United Nations News Reader app (for Android and iOS devices in the six official languages, as well as Hindi, Kiswahili and Portuguese) provides constantly updated multimedia stories from the United Nations News platforms. Users of the app can also watch meetings live and link to the daily press briefing of the Spokesperson for the Secretary-General, as well as receive news alerts. United Nations Audio Channels (for iOS and Android devices in the six official languages, as well as Kiswahili and Portuguese) provide selected audio from the General Assembly Hall and the Security Council Chamber, in addition to United Nations News audio programmes in those eight languages.

133. Regular social media updates will be posted to the flagship accounts managed by the Department of Global Communications, which are listed at www.un.org/social. Heads of delegations and influencers will be invited to participate online in General Assembly social media activities. Briefings and press conferences

134. Daily briefings for the media will be given by the Spokesperson for the Secretary-General at noon in room S-0237. Press conferences by senior United Nations officials, delegations and the permanent missions will be held in the same room, unless otherwise indicated. These arrangements may be altered depending on public health issues. The list of press conferences will be announced daily by the Office of the Spokesperson for the Secretary-General. It will also be available on the website of the Media Accreditation and Liaison Unit (www.un.org/en/media/accreditation/alert.shtml) and on Twitter (@UNMediaLiaison).

135. Delegations can book press conferences by calling the Office of the Spokesperson for the Secretary-General (telephone: 212 963 7707, 212 963 7160 or 212 963 7161).

136. Briefings and press conferences are open only to members of the media.

XII. Access to representatives of non-governmental organizations

137. Owing to the prevailing conditions under COVID-19 and the restricted nature of the arrangements for the seventy-fifth session, access to the United Nations Headquarters premises will not be allowed for representatives of non-governmental organizations in consultative status with the Economic and Social Council or of other organizations that are not in consultative status with the Council. Special passes for non-governmental organizations in consultative status with the Economic and Social Council will therefore not be distributed by the Non-Governmental Organizations Branch of the Office of Intergovernmental Support and Coordination for Sustainable Development of the Department of Economic and Social Affairs. In addition,
temporary passes will not be issued, and annual United Nations grounds passes that were issued earlier in 2020 will not provide access to United Nations premises.

**XIII. Medical services**

138. The United Nations Headquarters medical service clinic will be closed for routine walk-in service owing to COVID-19 restrictions. All attendees who are unwell should immediately leave the complex. Any attendee who becomes ill with COVID-19-like symptoms or who tests positive for COVID-19 is strongly encouraged to notify the medical service by telephone (212 963 7090) or by email at the confidential address unhqclinic@un.org. A review will be conducted to determine whether confidential contact tracing and subsequent testing are required, which will be initiated by clinical staff of the Health-Care Management and Occupational Safety and Health Division. Attendees with any illness are encouraged to see a local physician for further care.

139. During the high-level meetings, an immediate medical response capability will operate from the Headquarters medical clinic in the Secretariat Building and, depending on the circumstances, may be supported by New York City emergency response services.

140. The regular service provided to physicians travelling with Heads of State or Government to view the medical facilities is suspended owing to COVID-19 restrictions.

**XIV. Host country liaison**

141. All enquiries concerning host country matters should be directed to James Donovan at the United States Mission to the United Nations during regular business hours (telephone: 646 510 0008; after hours, 212 415 4444, 646 510 0008).

**XV. Additional information and briefing sessions**

142. Additional information will be issued if the need arises to update and expand the information contained in the present note. In addition, question-and-answer sessions for interested delegations may be arranged in the weeks leading up to the high-level meetings and the general debate.

143. In the lead-up to the high-level meetings, the following information documents will be issued:

XVI. Sustainability

145. The United Nations is taking a number of measures to minimize its environmental impact and maximize social, economic and environmental sustainability. All participants are encouraged to contribute to sustainability efforts.

146. Waste management is a particular concern and the United Nations is determined to reduce and dispose of its waste sustainably. To this end, United Nations Headquarters implements measures to eliminate single-use plastics from the complex to reduce the impact of plastic pollution. Participants are urged to comply with relevant procedures and waste separation signage. More information is available at http://greeningtheblue.org/unhq, and questions can be directed to Greeningunhq@un.org. Participants are also encouraged to bring reusable bottles and mugs and to avoid disposable cups and plastic water bottles.

147. Participants are encouraged to minimize paper consumption. Participants are urged to use portable devices as the main way to access documentation, including the daily Journal of the United Nations, to limit demand for printed materials and reduce paper consumption. Participants are also encouraged to distribute non-official documentation electronically.

148. In accordance with paragraphs 79 and 80 above, a number of online services are made available for the benefit of delegations. Participants should consider electronic access through the platforms mentioned in paragraph 79 before printing documents.

XVII. Accessibility: arrangements for persons with disabilities

149. Delegations are requested to inform the Secretariat of the accessibility requirements of delegates in order to facilitate participation in meetings. Upon request, adjustments can be made to seating arrangements with a view to enabling the participation of persons with disabilities, in accordance with paragraphs 33 and 34 of General Assembly resolution 73/341. For individual requests, please contact the Meetings Support Section of the Department for General Assembly and Conference Management (email: prepwork@un.org; telephone: 212 963 7349) no later than three working days prior to the meeting.

150. The United Nations Accessibility Centre offers assistive information and communications technology to support those with auditory, visual or physical impairments. The assistive devices are available on-site or as a loan to participants with disabilities. The Accessibility Centre is located in the Conference Building (level 1B, by the Secretariat Building escalators). For more information, please visit www.un.org/accessibilitycentre/.
151. A limited amount of printing on demand in Braille is available through the Accessibility Centre with prior notice.

Annex I

Pre-recorded messages audio video guidelines for the high-level meetings of the General Assembly in September 2020

I. Introduction

1. The General Assembly, in its decision 74/562, decided, “without setting a precedent for future general debates and mandated high-level meetings planned for future high-level weeks, that each Member State, observer State and the European Union can submit a pre-recorded statement of its Head of State, Vice-President, Crown Prince or Princess, Head of Government, Minister or Vice-Minister, which will be played in the General Assembly Hall during the general debate of the Assembly at its seventy-fifth session, the high-level meeting to commemorate the seventy-fifth anniversary of the United Nations and the high-level meetings referred to in paragraph (c) [of the decision], after introduction by their representative who is physically present in the Assembly Hall”.

2. For delegations whose speakers opt to deliver their statements by video, for the following meetings:
   • High-level meeting of the General Assembly to commemorate the seventy-fifth anniversary of the United Nations
   • General debate
   • Summit on biodiversity
   • High-level meeting of the General Assembly on the twenty-fifth anniversary of the Fourth World Conference on Women
   • High-level plenary meeting to commemorate and promote the International Day for the Total Elimination of Nuclear Weapons

II. Technical focal point of each delegation for each meeting

3. In the first instance, please provide, no later than 31 August 2020, the name and contact details of the technical focal point for each of the above meetings. The United Nations will be in contact with the technical focal points related to pre-recorded video statements.

4. Please send the name and contact details of the technical focal point to Request-for-services@un.org. If there are any questions, please call 212 963 8648.

III. Interpretation requirements related to the pre-recorded video statements

5. Ensure the speaker speaks clearly and at a moderate pace to enable accurate interpretation.

6. When submitting the pre-recorded statement, provide a copy of the text of the statement for the interpretation services.

7. For pre-recorded statements in a language other than an official United Nations language, provide an audio recording of the interpretation into one of the United
Nations official languages. In addition, provide the text of the statement translated into one of the official languages for the interpretation services.¹

IV. Audiovisual file general guidance for Broadcast and Conferences

8. For file submission video quality preferably:
   • HD resolution of 1920x1080 pixels in an aspect ratio of 16:9
   • 29.97 frames per second (60 fields) known as 1080i/29.97, top field first; colour subsampled at a ratio of 4:2:2 (8 bits per channel with 10 bits per channel preferred). As is common with MPEG-4 or MOV files

9. Alternately, file submission video quality as a minimum:
   • HD resolution of 1280x720 pixels in an aspect ratio of 16:9
   • 30 frames per second (60 fields) known as 720p top field first; colour subsampled at a ratio of 4:2:2 (8 bits per channel with 10 bits per channel preferred). As is common with MPEG-4 or MOV files

10. Audio:
    • General recommendation is that material should conform to SMPTE 382M or AES3
    • The preferred bit depth for audio recording is 24 bits per sample. The minimum bit depth is 16 bits per sample
    • All audio should be recorded at a minimum sample rate of 48 KHz, although sampling at 96 KHz is encouraged. Recording or digitizing audio using an uncompressed lossless codec, such as WAV-PCM
    • Sound must be recorded with appropriately placed microphones, giving minimum background noise and without peak distortion
    • The audio must be free of spurious signals such as clicks, noise, hum and any analogue distortion
    • The audio must be reasonably continuous and smoothly mixed and edited. Audio levels must be appropriate to the scene portrayed and dynamic range must not be excessive. They must be suitable for the whole range of domestic listening situations
    • Surround and stereo audio must be appropriately balanced and free from phase differences
    • The audio must not show dynamic and/or frequency response artefacts due to the action of noise reduction or low bit rate coding systems
    • If possible, please include closed captions (subtitles) preferably in one of the official languages of the United Nations. Please also provide a copy of the translated text

11. Metadata:
    • Metadata should conform to NewsML-G2 2.28

¹ In case of non-official languages, when a video address is played back and broadcast on the “floor” channel in the original language, the audio of the pre-recorded translation needs to be synchronously broadcast on the corresponding language channel.
